Ottawa, ON | 416-729-8100 | hello@benjaminsz.com | <https://benjaminsz.com>

PROFESSIONAL STATEMENT

Financial Planning postgraduate and former Senior Software Developer at BBVA with 5+ years of experience in the banking sector. Expert in leveraging data-driven analysis, AI tools, and technical precision to optimize financial strategies and ESG-compliant portfolios. Native Spanish speaker dedicated to delivering high-accuracy financial solutions and tax-efficient planning for diverse client profiles.

EDUCATION

Postgraduate Diploma: Financial Planning & Wealth Management | Lambton College Apr 2026 | Ottawa, ON

B.Eng. Information and Communication Technologies | Universidad de Tecamac (2011) | Mexico

SKILLS AND CERTIFICATIONS

- **Financial & Advisory:** Tax-efficient investing, retirement fund estimation, estate liability planning, and mergers/acquisitions (LBOs).
- **Technical & Analytical:** Fundamental analysis, ESG risk/return profiling, AI-driven efficiency, and high-traffic data reliability.
- **Software & Tools:** Financial modeling, Advanced Excel, Python/AI integration, and digital infographic design.
- **Certifications:** Investment Funds in Canada (IFC).

PROFESSIONAL EXPERIENCE

Financial Risk & Advisory Analyst Intern | Lambton College | Jan 2026 – Apr 2026

- **Formulated** strategic tax-minimization plans, evaluating the long-term financial impact of proposed strategies to **achieve results with accuracy and precision**.
- **Analyzed** pros and cons of market funds, treasury bills, and cash equivalents to **customize** investment proposals for short-term and long-term growth.
- **Developed** comprehensive retirement projections and estimations, ensuring liquidity maintenance and the consolidation of financial accounts.
- **Conducted** fundamental analysis on undervalued stocks, utilizing market trends to **maximize** growth potential for client portfolios.
- **Collaborated** on ESG-compliant investment strategies, evaluating financial and reputational impacts to ensure ethical goal alignment.

Senior Software Developer | BBVA Mexico | Oct 2019 – Oct 2024

- **Led** the integration of AI tools to **optimize** coding efficiency, accelerating software implementation and significantly reducing manual errors.
- **Spearheaded** performance improvement initiatives, resulting in a **30% boost** in application reliability and speed within high-traffic banking environments.
- **Achieved consistently high results** by establishing best practices and quality standards across the organization's web development community.
- **Collaborated** with technical leaders to **implement** industry-aligned standards, reducing defect rates by **20%** and enhancing overall application quality.
- **Maintained accurate documentation** and implemented new metrics for reliability, ensuring software functionality met evolving global banking requirements.

LEADERSHIP

General Support (Volunteer) | CN Cycle for CHEO | Ottawa, ON | May 2025

- **Maintained** event site integrity for 5,000+ participants by implementing waste diversion strategies, ensuring compliance with municipal environmental standards.
- **Acted** as a primary point of contact for stakeholders, providing real-time logistics and safety information to ensure a seamless experience for athletes and families.

Setup Supervisor (Volunteer) | Mutchmor Elementary BOOK SALE | Ottawa, ON | March 2025

- **Coordinated** the physical layout and organization of the event space, including strategic inventory placement to ensure a streamlined flow for the main event.
- **Supervised** and trained a team of volunteers, providing clear instructions and delegating tasks to ensure setup was completed ahead of schedule.
- **Optimized** setup efficiency by implementing organized sorting systems, significantly reducing the time required to categorize materials for sale.

ACADEMIC PROJECTS

Competitor Market Strategy & Risk Analysis | Lambton College | 2025

- **Outlined** investment strategies to counter competitive threats through diversification and identified market weaknesses to leverage growth opportunities.

Canadian Tax & Estate Planning Report | Lambton College | 2025

- **Prepared** a detailed analysis of retirement planning and estate liabilities, providing explicit documentation on tax-saving strategies.
